LETTER OF RECOMMENDATION

Dear To Whom it may Concern:

Jackson Norton MBA, MHA, CMPE
Administrator

Parkway Medical Group, one of Western North Carolina's largest independent primary care medical practices, wholeheartedly wishes to endorse Clean Steak, Inc. Mr. Horace Adell and his staff have faithfully provided janitorial and light maintenance services for our multiple locations for a number of years. The professionalism and quality of the work that Clean Streak provides is above reproach and represents a caliber rarely found in the industry. The Clean Streak staff have always acted ethically and professionally in their dealings with our organization. Furthermore, as a medical practice, patient confidentiality is of paramount concern. Clean Streak faithfully maintained a high degree of confidentiality, even in unsupervised situations.

Once again, Parkway Medical Group would like to recommend Horace Adell and Clean Streak, Inc. for business janitorial services. If you have any questions or comments, please feel free to contact me at your convenience.

Sincerely,

Jackson Norton, MBA, MHA, CMPE
